Pavatte helped lead the Tigers to the Midwest Regionals and their 52-11 record. He previously led the Covington, TN Chargers for 8 years where his teams won 4 consecutive district titles, 2 regional titles, State Runner-up and the school's first State Championship. He has worked as an instructor in numerous baseball camps in the South. Camp Purpose: The fundamentals of throwing, pitching, fielding, hitting, running, and team concepts will be stressed. This camp will also teach skills such as sportsmanship, character and a positive Christian attitude.

Coaches will come and pick up campers from their classroom and will be taken to the baseball bleachers to eat lunch (except K5 students will eat in their classroom). Please make sure your child has water and a sack lunch. They can be picked up from the baseball field at 3:00 or if they are a part of homework express (ASC), they will be taken back over to the elementary or kindergarten building.
